

## Key points in your Occupancy Agreement

Your Occupancy Agreement is a legal and binding contract that runs from 12pm on the Commencement Date until 10am on the Termination Date. Please read it carefully and, if you have any questions about it, contact the [Accommodation Office](#). Before accepting your Occupancy Agreement, please consider...

### Your responsibilities:

- Whilst staying in Halls you must adhere to the rules in the Strathliving Guide via the [portal](#) at all times.
- Visitors are welcome, but they should also adhere to the rules in the Strathliving Guide during their stay. If they break the rules, you will be held accountable and disciplined; You, and your visitors should not:
  - cause a nuisance, injury, distress, annoyance, or inconvenience to anyone else in Halls, to the University, or to people who live in any neighbouring properties.
  - cause damage to any property within the Accommodation buildings and grounds.
  - do anything that leads to a criminal offence being committed in or around the accommodation.
- Only you should occupy your study bedroom; you cannot share the study bedroom with another person.

### Common issues that breach the Strathliving Guide and will not be tolerated:

- Smoking inside the Halls of Residences and other accommodation buildings. There are designated areas outside, at least 15 feet away from the University buildings, where you can smoke then dispose of your cigarette ends.
- Noise causing disruption. You should be respectful of your neighbours' right to peace. This includes noise that can be heard outside the building or that causes disruption to other residents between the hours of 23:00 and 07:00.
- Tampering with fire equipment. Setting off fire extinguishers, covering smoke detectors, and keeping fire doors open is highly dangerous and illegal.
- Not cleaning your Accommodation or causing damage. The residence will be your home so if you make a mess, it will be your responsibility to clean up or you may be charged for cleaning services. If you cause damage to the furniture, fixtures and fittings, you will be charged for repairs. When you move in, within 48 hours you must complete and return an Inventory so that we are aware of any problems with your room or flat.

### Other considerations:

A rent pre-payment must be paid to secure your room. The rent pre-payment is not a deposit, you will not get it back at the end of the contract, instead it will be deducted from your first instalment of rent.
