

Add print credit online

Guests and visitors can create an account to print from their laptop and photocopy within the Library. To pay for your print credit online, please first set up an online print credit payment account. You can do this by going to <https://its-printapp.ds.strath.ac.uk/user>.

The image shows two screenshots from the University of Strathclyde's online print credit system. The left screenshot is the login page, featuring a 'Log in' header, 'Username' and 'Password' input fields, a 'Log in' button (highlighted with a red box), and a 'Guests click here to register' link. Below the login fields is a 'Language Select' dropdown menu set to 'English'. The right screenshot is the user dashboard, showing a 'Summary' section with 'BALANCE' (£3.02), 'PRINT JOBS' (115), and 'PRINTS' (288). It also includes an 'Activity' chart for 'Balance history for jh4011' and an 'Environmental Impact' section with metrics like '2.0% of a cow' and '2.9 kg of CO2'. A red arrow points from the 'Add Credit' button in the left sidebar to the 'Add Credit' button in the dashboard.

1. Enter your username and password,
